

Weather Shield®
Windows & Doors

REINVENTED

TriCore™ Frame Technology

By Weather Shield® Windows & Doors

What Makes It the Best Frame?

Superior Innovation Is Built Right In.

- ① **Extruded Exterior Cladding**
Low-maintenance factory finish.
Available in a large variety of colors to compliment any home.
- ② **Composite Sub-Frame**
Completely impervious to moisture.
Acts as a thermal barrier for heat and cold.
- ③ **Extruded Nailing Fins**
Integral to the TriCore frame and fully welded in the corners creating ideal conditions for a perfect installation.
- ④ **Solid Wood Interiors**
Available in a variety of finishes to match a homes decor.

Standard on every new Weather Shield Aspire and Signature Series Casements and Awnings.
